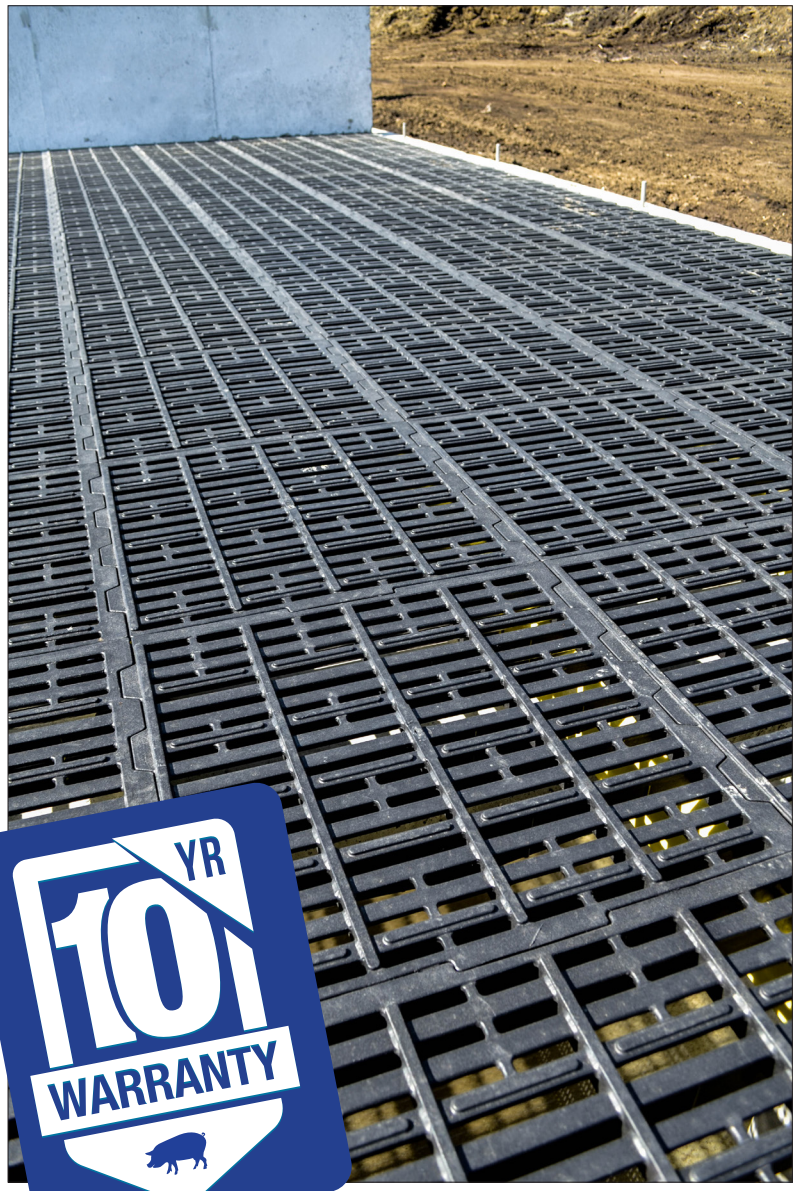
Polygrate
Gro-More™

# A.J. O'Mara Group

**FEED EASE | Hog Feeders & Equipment**

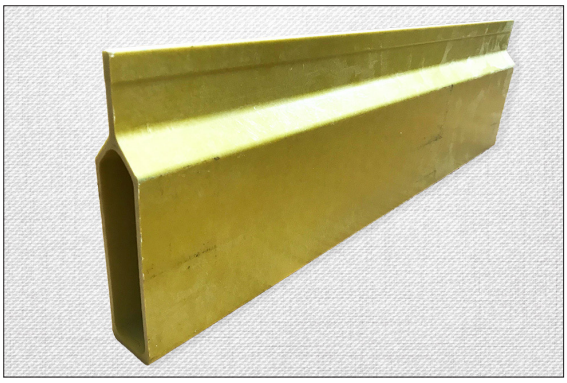
## Nursery Plastic Flooring



- Plastic flooring for weaning and nursery pigs up to 100 lbs
- Unique "High-Low" finger design
- Superior traction that leads to less stress and injury to the hogs
- Plastic/fiberglass material reduces surface wear
- True V-shaped underside is designed for easy and maximum cleaning
- Polygrate's high strength, fiberglass reinforced plastic composite eliminates sagging between beams due to creep and reduces surface wear
- Simple installation

**Interlocking 18"x18" Squares**

**Box-I-Beam**



10 YR WARRANTY

## Additional Flooring Options:

**Polygrate Grower & Polygrate Challenger™**
for farrowing and grower barns also available.
